Announcement of Funding for 2009

The 1772 Foundation has announced that approximately \$350,000 will be made available for agricultural endeavors at historic sites and living history sites in 2009.

It is anticipated that 7-18 grants will be made in the \$10,000-50,000 range.

All organizations who wish to be considered should submit a letter of inquiry on or after the 15th of September, 2008 through the foundation's website at www.1772foundation.org

The letter should reference announcement AG2009.

Not all letters of inquiry will result in an invitation to submit a full application.

Applications may be invited for submission in December 2008, April 2009, or July 2009.

To be eligible to apply, organizations must have a 501c3 IRS designation.

The foundation is particularly interested in historic sites or living history organizations that promote agricultural education; that involve at-risk populations; and those that work in inner cities.
