### Announcement

## 2024 Georgia Historic Preservation Matching Grants for Private Non-Profit Organizations

*In cooperation with the Georgia Trust for Historic Preservation*

The 1772 Foundation has announced that funding in the form of 1:1 matching grants of up to \$10,000 will be made available for the following historic preservation projects: exterior painting, finishes and surface restoration, fire detection/lightning protection/security systems, repairs to/restoration of porches, roofs and windows, repairs to foundations and sills, and chimney and masonry repointing.

To demonstrate the sustainability of historic sites, applicants may be required to submit a condition assessment and restoration plan or stewardship plan that has been prepared or updated within the last five years. If an appropriate plan does not exist, the Foundation will consider providing support for development of a plan on a case-by-case basis.

**All organizations that wish to be considered should submit a [Letter of Inquiry](#) online:**

Be prepared to discuss the following: *the amount of your request, the purpose of the grant including the name and address of the historic resource for which project funding will be used, the matching funds you have or plan to have, the time frame for project completion and ownership status (own or lease) for the site, photos of the site and provide a web address for the site/organization.*

**DEADLINE: Letters of Inquiry will be accepted until December 1, 2023.**

Invited applications will be due February 23, 2024.

Not all letters of inquiry will result in invitations to submit full applications.

To be eligible to apply, organizations must have a 501(c)(3) IRS designation or have an approved fiscal agent agreement with a 501(c)(3) organization. Organizations also must have closed any previously awarded matching grant to be eligible to apply. Funding will not be provided for buildings currently in use as schools or churches.
